Rules

Every MDwise Hoosier Healthwise member can earn his or her own points. MDwise will count up each member's points on a regular basis. Log on to MDwise.org/myMDwise to see how many points you have and how you earned them. You can also redeem your points and order your gift card.

If you do not have a computer or need help, call MDwise customer service at **1-800-356-1204**.

Here are some rules that must be followed to earn and redeem points:

1. You or your child must be a MDwise Hoosier Healthwise member at the time you receive the service or perform the action.
2. You or your child must be a MDwise Hoosier Healthwise member at the time you redeem your points and earn your reward.
3. If you only have coverage during your pregnancy, you can still redeem your points for up to six months after your pregnancy is over. This can happen even if you are not eligible for a different MDwise program following your pregnancy. You may need to call MDwise customer service in order to redeem your points.
4. Each member can only redeem up to \$50 worth of points each year. This means that the most you can earn is a \$50 reward each calendar year.
5. Points you earn for each activity will expire 12 months from the date of that activity. For example, if you get your annual physical exam on July 1 of this year you will earn 10 points. The 10 points for that visit will expire on July 1 of the next year. You must use these points before they expire or you will lose them.
6. It is your responsibility to be sure we have your correct address at all times. If we send a card to you at the wrong address we will not resend that card. We will only resend it to you if it is returned to us in the mail.
7. Sometimes your points will not show up right away. Many of the points you earn depend on your doctor sending us the claim or the bill for that service. This sometimes takes several months. Please be patient!
8. MDwise reserves the right to change the MDwiseREWARDS program at any time. We will keep the website updated with any changes.
