

Dear MDwise Provider,

There are important changes coming to the Hoosier Care Connect program. Starting on January 1, 2016, Hoosier Care Connect members will begin paying copays.

For services received in 2016, the copay schedule will be as follows:

\$1 – Transportation (Per Leg)

\$3 – Non-emergent Use of the Emergency Room

\$3 – Pharmacy

REMINDER: A member cannot be denied services if they are unable to pay the copay.

If you have any questions, please call MDwise at **1-800-356-1204**.

Sincerely,

MDwise
