

MDwise is GOING GREEN July 1st!

As of July 1st, MDwise strongly encourages Providers to submit Claims electronically. Electronic Claim submission provides significant benefits to the Provider including:

- Helps reduce operation costs associated with paper Claims (printing, postage, etc.).
- Increases accuracy of data and efficient information delivery.
- Reduces Claim delays since errors can be corrected and resubmitted electronically.
- Track and monitor claim progress.
- Expedite a processing turnaround and potential payment time frames
- Fastest way for Clean Claims to be considered for reimbursement.

MDwise accepts EDI transactions through our clearing house for Claims via the 837P for Professional and 837I for Institutional.

Submit Claims to MDwise via your EDI clearing house using the correct Payer ID:

- **Hoosier Healthwise (HHW) EDI: 3519M**
- **Healthy Indiana Plan (HIP) EDI: 3135M**

Dental claims for MDwise members should be submitted to DentaQuest using Payer ID CX014 for HHW and HIP.

A member's benefit plan and eligibility can be identified through the myMDwise Provider Portal at mdwise.org.

Please contact the MDwise Claims department at 833-654-9192 or your assigned Provider Relations Representative found at mdwise.org for any questions.

Thank you for being a valued Provider and serving our members!

Sincerely,

MDwise Provider Relations
