## MDwise Hoosier Healthwise and Healthy Indiana Plan Medication (HCPCS Codes) Prior Authorization and Exclusion List Effective 8/1/2025

Please be advised that the Indiana Health Coverage Programs (IHCP) transitioned to a Statewide Uniform Preferred Drug List (SUPDL) for the Fee-For-Service (FFS) and managed care entities (MCEs) on July 5, 2023. HCPCS Codes for agents on the SUPDL will be marked as such in the Coverage Status column in the table below, and prior authorization requests for these agents will be reviewed against SUPDL criteria.

## **Coverage Status:**

- Some codes are associated with medications that can be self-administered by the patient or a caregiver (e.g., oral or SC route). These will be marked as 'Pharmacy Benefit Only' in the table below.
- Select physician-administered medications are not covered under the medical benefit. This means
  that providers may not "buy and bill" the medication to MDwise. These medications must be
  sourced from a MDwise network retail or specialty pharmacy. The MDwise specialty pharmacy
  network includes Walgreens Specialty Pharmacy, IU Health Pharmacies, or Eskenazi Pharmacies. The
  provider should generate a prescription for the desired medication, and the dispensing pharmacy
  will submit a claim through the point-of-sale system. These medications will be marked as
  'Pharmacy Benefit Only' in the table below.
- A number of codes are available for coverage under either the pharmacy benefit or the medical benefit, up to the discretion of the ordering provider. These medications will be marked as 'Pharmacy or Medical' in the table below.
- Coverage of certain medications (e.g., antihemophilic factor, cystic fibrosis drugs, gene therapy
  agents) has been carved out from MDwise. Coverage requests and claims should be submitted to
  the Medicaid fee-for-service delivery system according to IHCP Bulletins BT201810 and BT202110.
  These will be marked as 'Carved out of Managed Care Coverage' in the table below.
- Some medications are categorized within Indiana Medicaid excluded therapeutic classes (e.g., infertility, sexual dysfunction). These will be marked as 'IN Medicaid Excluded Category' in the table below.
- Some codes fall within the Preferred Diabetes Supply List (PDSL), which identifies glucose
  monitoring products preferred for all IHCP programs. These will be marked as 'PDSL' in the table
  below, and claims will only be processed through the pharmacy benefit. Please refer the PDSL for
  the preferred products (nonpreferred products will require PA): <a href="https://inm-providerportal.optum.com/providerportal/faces/PreLogin.jsp">https://inm-providerportal.optum.com/providerportal/faces/PreLogin.jsp</a>

## **Prior Authorization:**

- Non-specific codes (e.g., J3490, J3590, J9999) require Prior Authorization only if the claim amount exceeds \$500. These will be marked with an asterisk (\*) in the table below.
- Medical benefit prior authorization requests should be faxed to MDwise using the IHCP Universal Prior Authorization Form as follows:
  - o MDwise HIP at (866) 613-1642
  - MDwise Hoosier Healthwise at (888) 465-5581
- Pharmacy benefit prior authorization requests should be faxed to the MDwise Pharmacy Benefit Manager, MedImpact, at (858) 790-7100.

| HCPCS | Code Description                                     | Drug Name          | Coverage Status / Prior  |
|-------|--|--------------------|--------------------------|
| Code  |  |                    | Authorization (PA)       |
| A4238 | Supply allowance for adjunctive, non-implanted       | Continuous         | Pharmacy Benefit Only.   |
|       | continuous glucose monitor (cgm), includes all       | Glucose Monitors   | PA required. PDSL.       |
|       | supplies and accessories, 1 month supply = 1 unit of | (CGM) (various)    |                          |
|       | service  |                    |                          |
| A4239 | Supply allowance for non-adjunctive, non-implanted   | Continuous         | Pharmacy Benefit Only.   |
|       | continuous glucose monitor (cgm), includes all       | Glucose Monitors   | PA required. PDSL.       |
|       | supplies and accessories, 1 month supply = 1 unit of | (CGM) (various)    |                          |
|       | service  |                    |                          |
| A9274 | External ambulatory insulin delivery system,         | Insulin Pumps      | Medical Benefit Only.    |
|       | disposable, each, includes all supplies and          | (various)          | PA Required.             |
|       | accessories  |                    | ·                        |
